NIALL TOOLIS
Company Founder

"The organic inbound leads are of such quality, we have expanded the company workforce and now challenge websites and brands established for decades."

ABOUT DIGITAL SALES

At Digital Sales we build cutting edge technology applying real innovation to digital marketing solutions, solutions that provides tangible value and generate real 'return on investment' for our clients. We employ our talent and resources around a proven process and methodology of 'acquire', 'engage' and 'optimize' when developing digital marketing and software programmes.

Applying this proven methodology while leveraging our vast knowledge base, our cross-department resources and exploiting latest technologies allows us to deliver real results and help you to achieve your business and digital marketing goals.

OUR PROCESS

We work with a proven process designed to improve the performance of your digital marketing programmes and technology, while advancing the digital marketing maturity of your business.

See the four steps to marketing success for any of our solutions.
